

# Environmental Technician Program

Winter/Spring 2018 | Kitwanga

## Career Development

The **Environmental Technician Program (ETP)** is a comprehensive training program that allows students to earn the credentials they need to pursue a career as an Environmental Technician.

Upon completion, students will:

- Earn 4 industry-recognized certificates
- Receive 6 university credits towards future educational pursuits
- Network with employers seeking qualified Environmental Technicians
- And, have the chance to participate in their local economy on their traditional territories

## Dates & Times

**Program** Feb. 13 - May 18, 2018  
Weekdays Only

## Sponsored Training

**Program** ETP is open to 15 Gitwangak and Gitxsan First Nation members, recipients of fully paid tuition and support funding.
